Membership Requirements

(The Board of Directors, in its sole discretion, shall admit applicants to Fellows membership.)
Because CDI stands for excellence in delivering Collaborative Process services, we require our members (called “Fellows”) to meet certain criteria that demonstrate a commitment to obtaining and maintaining the skills necessary to deliver results in Collaborative cases.

All Fellows must:

1. Be credentialed in their field, which means:
 - Attorney: JD, a current professional license, and member in good standing of your profession.
 - Financial Neutral: CDFA certification. In addition, the Financial Neutral should have one of the following: CFA, CFP, CPA, ChFC, CMA, MBA, EA, or ten (10) years of work experience in the financial industry (e.g. banking, brokerage, Insurance, etc.). This qualification to be determined on a case-by-case basis and the candidate must be a member in good standing of the profession.
 - Coach: active clinical mental health license in Illinois (LCSW, LCPC, LMFT, license as a psychologist or psychiatrist).
 - Child Specialist: meet all the requirements to be a Coach. In addition, the Child Specialist must have a supervised internship or year-long practice with some work with children, at least two (2) years of full-time experience with children and families or equivalent, three (3) years of professional practice post licensure and twenty (20) hours of specialized education in issues of divorce and children’s adjustment to divorce; and
2. Maintain professional liability/malpractice insurance; and
3. Complete an annual application and commit to abide by the CDI principles.

New Fellows:

In addition to the four criteria above, a new Fellow must provide written proof of:

- Completion of two-day Basic Introductory Collaborative Practice Training
- Completion of Conflict Resolution Skills training in the form of either:
 - a) a forty (40)-hour mediation training, OR
 - b) a thirty (30)-hour training in client-centered, facilitative conflict resolution, of the kind typically taught in mediation training (internet-based, narrative, or transformative mediation programs) AND an accumulation or aggregate of fifteen (15) further hours of training in any of the following areas: interest-based negotiation training, communication skills training, collaborative training beyond the minimum twelve (12) hours of initial collaborative training, advanced mediation training, or basic professional coach training.

Renewing Fellows:

A current Fellow, in addition to the first four criteria, must provide written proof of Completion of six (6) hours of “Fellows Collaborative Skills Training,” or “FCST” per year of membership.

- An FCST is training that directly relates to the skills necessary to engage in interest-based negotiations and Collaborative Practice. It concentrates on process rather than substance and should be highly interactive. An FCST is designed to enhance a professionals’ ability to fulfill their role on a Collaborative Team.
- CDI offers several FCSTs each year.
- Training is also offered by other organizations, such as IACP, AFCC, etc.
- FCST if they meet the criteria above as determined by the CDI membership committee. (Such approval may be sought in advance.)

- In the first full calendar year of membership, a new Fellow must take six hours of FCST. Starting in the second full calendar year following the year in which a fellow joined, the fellow must report every other year his or her fulfillment of FCST requirement (minimum of six (6) hours for each year or a total of twelve (12) hours every two (2) years).

Rejoining Fellows:

In some instances, a Fellow who does not renew may seek to rejoin CDI at a later date. In those instances, a Rejoining Fellow would need to meet the requirements of a “New Fellow” with some modifications as described below. A Rejoining Fellow, in addition to the first four criteria, must provide:

- Written proof of attendance at twelve (12) hours of FCST taken within the twenty-four (24) months prior to application. If attendance at an upcoming CLII-sponsored FCST within the six (6) months following application would allow the person to meet this requirement, a Rejoining Fellow may be provisionally approved subject to completing this FCST.

These criteria have been developed so that when a member of the general public is choosing their divorce professional(s), they can rely on the representation of a Fellow that they meet these criteria. Attorneys, therapists, and financial professionals who are not Fellows may not have this same level of training to practice in the Collaborative Process model.

We remain open to modifying these criteria and welcome input from Fellows, past Fellows, past clients, and the general public.
