

Collaborative Divorce Illinois presents

BASIC INTERDISCIPLINARY COLLABORATIVE PRACTICE TRAINING

FRIDAY, OCTOBER 6 -
SATURDAY, OCTOBER 7, 2023

CONFERENCE CENTER

2001 York Road, Oak Brook, Illinois 60523

Are you interested in helping families resolve their differences peacefully rather than battle as adversaries in the courtroom? Divorce does not have to be destructive. The Collaborative Divorce Process enables couples to approach divorce in a nonadversarial manner, through agreements tailored to family priorities with alternatives to fighting in court.

Join us for this informative and interactive training to discover the roles of the attorneys, mental health divorce coaches, and financial specialists as they form a Collaborative team to support clients in the Collaborative Divorce Process.

Over two days, our trainers will demonstrate a Collaborative case from beginning to end and explore the skills needed to be a Collaborative divorce practitioner.

Experienced and knowledgeable CDI Fellows serve as trainers. All have been thoroughly trained to instruct in Collaborative Practice and all have extensive professional experience in Collaborative Law specific to Illinois divorce cases.
